

# Receive virtual care and support 24/7 with our Sydney Health app

Now you can connect more easily to the care you need through our **Sydney<sup>SM</sup> Health** app. Have a video visit with a doctor on your mobile device or computer with a camera, 24/7.

## Visit with a doctor for common health concerns

Doctors are available anytime, with no appointments or long wait times. They can help you with these types of conditions:

- COVID-19
- Minor rashes
- Flu
- Sore throat
- Cold and fever
- Headaches

During your video visit, the doctor will assess your condition, provide a treatment plan, and send prescriptions to the pharmacy of your choice, if needed.<sup>1</sup>

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or healthcare provider not in your plan's network, your share of the costs may be higher. You may also receive a bill for any charges not covered by your health plan.
