The Trust and the Service Administration are authorized to obtain and release medical information in compliance with the Medical Information Act. Section 56 et seq. of the California Civil Code and the Insurance Information and Privacy Protection Act, Section 791 et seq. of the California Insurance Code. I hereby authorize any physician, healthcare practitioner, hospital, clinic or other medical or medically related facility to furnish to an agent, designee, or representative of the Service Administrator or of the Trust any and all records pertaining to medical history, services rendered, or treatment given to anyone enrolled hereunder or added hereafter for purposes of review, investigation, or evaluation of an application or a claim. I also authorize the Trust and the Service Administrator and their affiliates, or their agents, designees, or representatives to disclose to a hospital or healthcare service plan, self-insured plan, or insurer any such medical information obtained if such disclosure is necessary to allow the processing of any claim. This authorization also permits disclosure of any such medical information to my employer, the Trust or the Service Administrator for purposes of utilization review or financial audit. This authorization shall become effective immediately and shall remain in effect as long as necessary to enable the Service Administrator and its affiliates to process claims or conduct a utilization review or financial audit. I understand that the effective date of coverage is based on my firm’s established waiting period and is subject to approval by the Service Administrator. I understand that I am responsible for a greater portion of my medical costs when I use a non-participating hospital, physician, pharmacy or other provider. If applicable, I authorize my employer to deduct the required contribution from my wages. I agree that any dispute between myself (and/or any family member) and the Trust shall be resolved by binding arbitration, as is more completely set forth in the applicable CalCPA Health Plan Document, if the amount in dispute exceeds the jurisdictional limit of the Small Claims Court, and not any lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. Under this coverage, both the member and the Trust are giving up the right to have any dispute decided in a court of law before a jury. I agree that if I, or a member of my family, is injured through the act of omission of any person (a third party), the Trust shall be subrogated to all rights of me and my family members to recover against such third party as a result of such injury to the extent that the Trust pays benefits under the CalCPA Health Plan for covered services or otherwise related to such injury. At the request of the Trust, I hereby agree to execute in writing (i) providing for the reimbursement of the Trust to the extent of benefits provided immediately upon collection of damages for such injury by me or a family member, whether by action at law settlement or otherwise; and (ii) providing the Trust with a lien to the extent of benefits provided under the plan upon the claim against the third party. The lien may be perfected by the Trust and/or filed with the third party or the court. I have read and understand the provisions outlined in this form. All information on this form is correct and true. I understand that it is the basis on which coverage may be issued under the plan. Any misstatements or omissions may result in future claims being denied and/or the policy being rescinded. I understand that I am entitled to a copy of this signed authorization for my files.
