Your well-being is at the heart of everything we do. Through June 30th, 2020, VSP members can access essential medical eye care.¹ The connection between your eyes and overall health is important and this expanded access will allow you to get eye care when you need it most.

WHAT'S INCLUDED IN ESSENTIAL MEDICAL EYE CARE?
Essential medical eye care services include, but are not limited to:

• Sudden vision changes or vision loss
• Eye trauma
• Pink eye
• Foreign body removal
• Other symptoms that interfere with or significantly hamper day-to-day activities

WE'RE HERE FOR YOU.

• Do you have lost or broken glasses, or you’ve run out of contacts, and don’t have backup eyewear? You can use your routine VSP benefits for replacement glasses or contact lenses to meet your immediate eyewear needs.²

• If you’re unable to reach your VSP network doctor to make an appointment, call VSP Customer Care at 800.877.7195 and we’ll help you find an eye doctor who is open and ready to assist you.

• At your appointment, tell them you have VSP. There’s no ID card necessary.

• We’ll handle the rest—there are no claim forms to complete when you see a VSP doctor.
